

THE HSC HEALTH CARE SYSTEM

THE HSC HEALTH CARE SYSTEM

The HSC Health Care System is a nonprofit health care organization committed to serving families with complex health care needs and eliminating barriers to health services. The System combines the resources of a care coordination plan, pediatric specialty hospital, home health agency and parent foundation to offer a comprehensive approach to caring, serving and empowering people with disabilities.

The HSC Foundation

The HSC Foundation is dedicated to improving access to services for individuals who face social and health care barriers due to disability, chronic illness or other circumstances that present unique needs. Health Services for Children with Special Needs, Inc., The HSC Pediatric Center and HSC Home Care, LLC are subsidiary organizations of the Foundation.

National Youth Transitions Center

Developed by The HSC Foundation, the National Youth Transitions Center brings together multiple organizations that focus on transitions-related services, research, policies and best practices to help young people with disabilities transition from adolescence to adulthood and school to work.

Life Skills Center

As a behavior health clinic, the Life Skills Center offers an array of services for HSCSN members, including screening for therapeutic and rehabilitative services, identifying and applying treatment goals, and medication management. The Center is a collaboration between HSCSN and Urban Behavioral Associates.

1731 Bunker Hill Road, NE, Washington, DC 20017

Phone: 202.971.4051

The HSC Pediatric Center

The HSC Pediatric Center is a pediatric specialty hospital that provides rehabilitation and transitional care to children and young adults from infancy through 21 years of age. The hospital is guided by a family-centered philosophy to not only help youth with complex medical issues, but assist the entire family in understanding and living with the challenges ahead.
